#### Old Business

The status of the training program is still in neutral due to a lack of volunteer to be the chief instructor. Steve volunteered to take this chore on if somebody else would run for secretary. Nobody volunteered to run for secretary therefore Steve volunteered. This leaves the Chief Instructor position open.

The tarps were discussed again as they had been destroyed and need to be replaced. It was agreed again to let that go until next year.

It was motioned that a mass vote be taken instead of individual elections as all offices had only one candidate. This was agreed upon. New officers are;

**President - James McDaniels**

**Vice President - Robert Haldis**

**Vice President - Harry Minnier**

**Treasurer - Eric Henderson**

**Secretary - Steve Schwartz**

#### Membership

Jerry Gayster will continue to handle the membership application renewal forms and send out the new membership cards.

#### Gate

It was noted again that the gate is not always being shut and locked. An e-mail was read from a member who had concerns regarding ADA requirements and the gate. This was responded to by the secretary and this response was read as well.

#### New Business

A motion was made to purchase a new generator from Harbor Freight. This generator had a great deal of functions and was a great deal. The membership had concerns regarding warranty, engine brand, durability, ect. The membership did not pass the motion.

Thanks were given to the outgoing officers.

Meeting adjourned at 7:50 PM
