### **Field and General Safety Rules**

All members and guests will comply with the following rules while at the field.

1. The field is for the exclusive use of the organization members only. Members may bring one guest flier per visit to the field. Guests will be limited to three visits per year. Guests must have a current A.M.A. Membership and have proof of same. Members and guests must comply with A.M.A. safety code and organization rules. Hosts must be present and are responsible for their guest's actions.
2. All member fliers shall have a current membership card. Membership cards will be visibly displayed at the frequency board when flying, or, be available for inspection when using the 2.4 GHz band.
3. Spectators must stay in the spectator areas.
4. The running of engines shall be limited to the following times 10:00 AM to dusk.
5. No one shall stand on the active field except to launch or retrieve an aircraft. No startups in takeoff or landing areas are permitted.
6. All R/C transmitters must have proper frequency markers in compliance with A.M.A. guidelines.
7. Frequency control will be by the pin method. No one shall turn on a transmitter on the Ham and/or 72MHz frequencies without possession of the correct frequency pin attached. 2.4 GHz transmitters do not require a pin and may turn on as needed.
8. No R/C flyer will intentionally fly over the parking area, pits, or spectator area. Flight path will always consider the safety of pilots, spectators and aircraft. (when full scale aircraft are in the immediate area, flying is limited to 150 feet).
9. A novice flyer shall not be permitted to fly without assistance unless his/her flying ability has been checked out by a designated, qualified, organization check - out pilot or instructor.
10. Two flight lines are available: The secondary flight line is for smaller electric powered aircraft, defined as being less than 3 pounds, ready to fly, and not flying faster than 80 miles per hour. Helicopters, all sizes, are included in the secondary flight line. The primary flight line is for all fixed wing aircraft.

11. No more than five aircraft shall be flying from any given flight line at one time. Exceptions shall be given for formation flying, combat, and other special events. Also, a previous agreement shall be made that all other aircraft are "grounded" at the selected flight line, during the event.
12. No alcoholic beverages are allowed to be consumed at the field. No pilots shall be allowed to fly if it is determined they have consumed alcoholic or other drugs that may inhibit their abilities.
13. Members are reminded that this is a family type of club and all members should be courteous and respectful to others. Unacceptable behavior by an individual member or members may result in there being expelled from membership from the club.
14. Engine break-in shall be done at far ends of the field.
15. Mufflers are required on all engines. The intent of this rule is that all aircraft should attempt to meet with A.M.A. guidelines for noise control.
16. A pilot on landing approach has the right of way over any other activity such as takeoff or flying. The exception is a flyer who declares an emergency. Make your intentions known so there can be no misunderstandings.
17. There are no trash cans at the field. All members and spectators are responsible for removing their own trash.
18. All authorized frequencies are allowed at the field. Transmitters and receivers must meet the A.M.A. guidelines.
19. Airplane hold backs must be used during startup and prior to take off. This requirement can be satisfied by having an assistant hold back the airplane. The method shall meet with approval of the field marshal.
20. The charging of Lipo batteries or the like shall be done in a safe manor to minimize the likelihood of fire or explosion.

Note: A separate document entitled "FIELD AND GENERAL SAFETY RULES" shall be posted at the field.

### **GRIEVANCE PROCEDURE (FLIGHT AND SAFETY RULES)**

*The grievance procedure provides a mechanism to enforce existing rules by providing a progressive disciplinary system when needed. Although most complaints can be resolved informally, if a complaint is serious or cannot be resolved informally, the matter should be referred to the Safety Committee for its consideration by means of a Grievance Form to be filled out and turned into the Safety Committee Chairman. At least one witness is required to sign the Grievance Form. The Safety officer/Committee shall use its judgment in carrying out action on the following:*

**A.** *A grievance form will be filled out and turned into the Safety Officer/Committee Chairman. At least one witness is required.*

#### **B. FIRST VIOLATION**

*Viewpoints of both complainants and accused will be considered. Complainant's name will be disclosed. A verbal reprimand will be given to the accused by the Safety Officer/Committee, and this will be recorded in the Club records.*

#### **C. SECOND VIOLATION**

*Complainant's name will be disclosed. The accused has the right to a written rebuttal, to be reviewed by the Club Safety Officer/Committee. If the Committee so decides, the flying privileges of the accused will be suspended for thirty (30) days. Written notice of this shall be issued and a copy published in the Club newsletter.*

#### **D. THIRD VIOLATION**

*Safety Officer/Committee will notify the accused in writing and the Club members via the Club newsletter that the Club will vote on the expulsion of the accused at the next meeting. Said expulsion will last for a one-year minimum. A member may be expelled from the Club only upon a two-thirds (2/3) majority vote of the membership present at the meeting. Voting will be by secret ballot at a regular monthly meeting. The expelled member may reapply for membership after the expiration of the expulsion time period. e. The three actions will not be enforced unless they are accumulated within a two-year period of time. f. Any member receiving a Grievance, who directs any retaliation action against the person filing said grievance, will be subject to immediate expulsion from the Club. This is to include threats, intimidation, physical harm, intentional equipment damage, or any other action deemed to be retaliatory by the Club Officers.*
