The President's Corner (Harry)

The weather has changed and it is much cooler and the wind is not as strong, come on out and fly before it gets too cold. The field has never been better and Tom Perkins & Aldo Cimino cut the grass short (for the last time we think this year) and looks like the greens on a golf course.

Also, if you have not been out to the field lately you are missing some great RC flying; lots of new planes and some great aerobatics. Stop by and fly or just enjoy the fun!

Our picnic last month had some great food, and a big THANK YOU for all the hard work our members contributed to the event.

Bill Brennan has resigned as our Treasurer and Jerry Gayster has taken over effective Oct 2004.

All the necessary paper work for the transaction has been completed.

At our last meeting, Bobbie Flater indicated that he was talking to the Clerk at Southampton Township, who have just purchased about 288 acres under the Green Acres Program. He asked if they would consider the Pine Barons buying or leasing about 5 to 10 acres for RC Flying. The Township Clerk seemed very interested in the thought of the use as a RC Flying Field.

Bobbie made this information available to the members and it was agreed to have our attorney member Dick Barton compose a letter to the Southampton Township with the proposal.

(A letter has been prepared and delivered to the Township Clerk)

At our next meeting their will be an update on the Southampton Land proposal.

Also, if you are interested in running for an office in the Pine Barons nominations will be coming up in November.

Hope to see you at the November meeting, there will be light refreshments again and be sure to bring your latest RC for Show and Tell.

Harry

Remember

If you are the last one to leave the field, please lock the gate"
